Carolina Auto Details

Description:

Carolina Auto Details takes care of all your vehicle cleaning needs. This website is your one-stop shop for all car enthusiasts that want the best custom services for their vehicles. The platform offers a wide range of packages through before-and-after displays, and user can customize their own service package designed to fit any vehicle type, make, or model. We offer premium interior/exterior cleaning services, vehicle restoration, waxing, ceramic coating, paint correction, and many more options.

Pages:

Home: a title screen with pictures of our best work and an overview of services

Services and packages: where we show our preset options or the user can make a custom

Gallery: where we show off our past work so the user can see the difference made

About us: the history of the company and all of our social media platforms

Contact and booking: where the customer can book appointments or ask questions
